

11th Annual CMPR Symposium

TUHS - School of Medicine

Friday, Oct. 4th, 2019

~ SCIENTIFIC PROGRAM ~

KEYNOTE PRESENTATION

12:00 - 1:00 pm

Academic Event Center

Robert Tampe
PhD, Professor
Institute of Biochemistry
Goethe-Universität Frankfurt, Germany

*Catch me if you can –
macromolecular
transport & chaperone
complexes in adaptive
immunity*

Understanding the Activation mechanism of G-protein Gated Inwardly Rectifying Potassium (GIRK) Channels

Maryam Yekefallah

Department of Chemistry and Biochemistry, TTU

October 2019

Biochemical evaluation of activity of human MDR1 P-glycoprotein

Maisa Correa de Oliveira
Vogel/Wise lab - Southern Methodist University (SMU)
