

GLOBAL PERSPECTIVES FILM SERIES (SPRING 2021)

BLACK GIRL IN SUBURBIA

For many Black girls raised in the suburbs, the experiences of going to school, playing on the playground, and living day-to-day life can be uniquely alienating. **BLACK GIRL IN SUBURBIA** looks at the suburbs of America from the perspective of women of color. Filmmaker Melissa Lowery shares her own childhood memories of navigating racial expectations both subtle and overt—including questions like, "Hey, I just saw a Black guy walking down the street; is that your cousin?"
