Zoom ([register here](#))

Please join the Office of Global Health as we host a panel of healthcare and education professionals to discuss their experiences working with West Texas families to promote social determinants of health. Panelists will reflect on their individual history of addressing health disparities and inequities, as well as the resources and services provided by their respective community agencies.

This event is free and open to the public. No RSVP is required. For more information about the lecture series, please contact the Office of Global Health by [email](#) or visit our [website](#).
