ZOOM ([REGISTER HERE](#))

Please join the Office of Global Health as we host a panel of interprofessional health care providers to discuss the value of global engagement. Panelists will discuss the integration of global engagement into health profession careers, the importance of global mindedness, and the benefits of working across professions to address the challenges of global communities.

This event is free and open to the public. No RSVP is required. For more information about the lecture series, please contact the Office of Global Health by [email](#) or visit our [website](#).
