

Global Health Lecture Series

Panel Presentation:

**Meeting Challenges in Promoting Mental Health of
Traumatized Adolescents Living With HIV in Eswatini:
A School of Nursing, Center for Superheroes,
Baylor International Pediatric AIDS Initiative Clinics,
& WHO Collaboration**

Wednesday, October 3

Noon, ACB 110

(or via Zoom: <https://ttuhsc.zoom.us/j/9798966879>)

This panel presentation will cover the How's, What's and Why's of the collaboration with BIPAI in Eswatini (formerly known as Swaziland) and challenges faced in implementing an evidence-based strategy for capacity building in addressing mental health issues in a low resource country. The next steps of this initiative and opportunities for other areas of capacity building for improving health in Eswatini will be addressed.

Panelists include: Susan Calloway, PhD, FNP-BC, PMHNP-BC, FAANP, Professor & Program Director PMHNP program SON; Dr. Michael Gomez, Clinical Psychologist, Associate Professor, Center for Superheroes; Emily Merrill, PhD, FNP-BC, CNE, FAANP, Professor, Associate Dean, Nurse Practitioner Studies SON; Stacy Hobbs, RN, BSN, PMHNP student; & Lindsay Urban, RN, BSN, PMHNP student.

For more information about Baylor's pediatric AIDS initiative in Eswatini, please visit their website at bipai.org/Swaziland.

Free lunch will be provided to the first 50 attendees.
This event is free & open to the public. No RSVP is necessary.
