Please join the Office of Global Health as we host a panel of Fulbright Scholars to discuss their experiences with global engagement. Panelists will discuss their individual experiences conducting research and/or teaching in an international context, as well as the connections fostered by becoming a part of the global Fulbright community of professionals.

This event is free and open to the public. No RSVP is required. For more information about the lecture series, please contact the Office of Global Health by [email](#) or visit our [website](#).
