

Global Health Lecture Series

Ebola: The Caregivers Killer

featuring

Andrea (Andi) Tenner, MD, MPH, FACEP
Associate Professor | Global Health Fellowship Director
University of California, San Francisco

Wednesday, August 14

Noon

ACB 230

Zoom: <https://ttuhsc.zoom.us/j/2729835938>

Dr. Andrea (Andi) Tenner is an Associate Professor in the UCSF Department of Emergency Medicine and Co-Director for the UCSF World Health Organization (WHO) Collaborating Centre for Emergency and Trauma Care. She has broad experience in developing emergency care capacity and disaster mitigation, including work in Eastern Democratic Republic of Congo as well as Sierra Leone during the first major Ebola outbreak in 2014-2015. Subsequently, her work has focused on emergency care systems development and she has supported the work of the WHO to develop an Emergency Care Systems Toolkit and served as an editor for the WHO Basic Emergency Care Course.

Dr. Tenner will speak in depth about lessons learned from the first major Ebola outbreak in West Africa, discuss her experience working in the Democratic Republic of Congo (DRC), and elaborate on the implications of the current Ebola outbreak in DRC. Learn more here: <https://emergencycare.ucsf.edu/>

Free lunch will be provided to the first 50 attendees (*Lubbock campus only*).
This event is free & open to the public. No RSVP is necessary.
