

Mandatory Sessions and Activities for General Principles of Infection (GPI) 2020-21

Subject to Change

Note:

Unit evaluations (must complete **2** out of the **4** unit evals)

Faculty evaluations (must complete at least **2** faculty evaluations per unit)

End of Block evaluation is required

All **4** unit exams and the final exam are required.

Session One (Block Intro and Dr. Williams Lecture) is required for all students.

Session 21, Dry Lab 1 on April 5th is an IPECPLA and is required for all students. It will count as one of your 10 required small group activities.

There are a total of 14 small group sessions (dry labs, TBLs, Review sessions etc). **ALL ARE MANDATORY, but**, you only have to complete the online assignments for **10 out of the 14**. To receive full credit for the activities you must attend and participate in the real time Zoom small group sessions with facilitators. This requires completing the Sakai sign-up for each session you would like to attend. Failure to attend your session after signing up will be treated as a professional infraction.

Material presented in all ISS, mandatory small group sessions and CICR sessions are testable.

The Independent Study Development of Clinical Skills (ISDLA) assignment (Recorded case presentation) is 2% of your final grade. (Directions, case topics, and an example assignment will be posted on Sakai)

Day	Date	Time	Room	Session/Activity	Information
