

Mandatory Sessions and Compulsory Activities for MOS Spring 2021

Updated 01/05/2021 - SUBJECT TO CHANGE

Note: (Subject to change, i.e. weather conditions, room availability, etc.)

- Session 1 (Block Intro) is required for all students via Zoom or ACB100.
- The combined activity sessions with P3/Docs are mandatory for all students.
- All Firecracker quizzes are mandatory.
- All 3 unit exams and the NBME are mandatory.
- **There are a total of 17 compulsory sessions (see list below table), including TBL's, Hemodynamics, Clinical Skills, Ultrasound Sessions, and Simulations with SOAP notes, from which you are required to attend (most through zoom) and participate in at least 10. In other words, you must attend/participate in 10 out of 17 of the list below the table.**
 - ER Simulation and SOAP: up to 3% (up to 1% per ER SOAP, best 3 out of 5 notes) will be added to your course average score.
- Ultrasound Sessions are within the HSC and not remote. Ultrasound Session and Quizzes – must complete the pre/post quizzes, submit an image and attend the session to receive the mandatory session credit.
- Unit evaluations – required to complete 2 of 3 unit evaluations
- Faculty evaluations – required to complete at least 2 faculty evaluations per unit
- TA evaluations – required to complete at least 1 per unit
- Block evaluation – required
