

Mandatory Sessions and Activities for Organ Systems 2 (RNR) 2021-22

Subject to Change

Note:

Unit evaluations (must complete **4** out of the **4** unit evals)

Faculty evaluations (must complete at least **2** faculty evaluations per unit)

End of Block evaluation is required

All **4** unit exams are required.

Session One (Block Intro) is required for all students.

There are 2 SimLife Activities during this block and participation is mandatory for all students. You are to sign up for your date/time using Sakai. Participation credit will only be given if all requirements are met for SimLife sessions, i.e. SOAP Note and attendance for both will count towards your required 5 of 7 sessions to attend.

You have to complete 5 of 7 sessions to complete your mandatory requirements. (Two of the five would be the 2 SimLife Activities), leaving you 5 more sessions to select your 3 required sessions to attend.

Material presented in all ISS, mandatory small group sessions and CICR sessions are testable.
