  - Housing
  - Laundry
  - Food

### ➤ Clients' Health Needs

- Housing
- Food

### ➤ Clients' Health Information Needs

- RMHC functions more in providing a home-away-from-home than in educating clients.

### ➤ Advice for Physicians

- Remember that for a lot of kids, care needs to be *family-centered* and not just patient-centered.
- Don't be too busy to remember the family.
