## EXPECTATIONS OF STUDENTS

### **Maintaining Good Standards**

Each student is expected to meet the objectives of each area of study and is required to:

- Keep apprised of and adhere to the rules and regulations of *TTUHSC Student Handbook Code of Professional and Academic Conduct* at [http://www.ttuhs.edu/student-services/documents/FINAL\\_HSC\\_2011-2012\\_Hndbk\\_for\\_Website.pdf](http://www.ttuhs.edu/student-services/documents/FINAL_HSC_2011-2012_Hndbk_for_Website.pdf), the *SCHOOL OF NURSING Catalog* at <http://www.ttuhs.edu/son/catalog.aspx>, and policies contained in this handbook.
- Demonstrate a systematic, safe, accurate, timely, and efficient approach to accomplish each objective and use all materials efficiently.
- Devote adequate time and preparation to class and clinical activities to meet the stated objectives.
- Demonstrate academic integrity in each element of the student's performance.
- Apply ethical behavior appropriate to the standards of a developing professional at all times and particularly in relation to maintaining the confidentiality of information regarding patients and clients.
- Maintain personal health to accomplish the essential functions as defined in the *SCHOOL OF NURSING Catalog*.
- Be aware of professional issues and have the ability to define a personal position in relation to various issues.
- Participate in evaluating the area of study and the *SCHOOL OF NURSING*.
- Maintain all practice standards if licensed, as written by the Board of Nursing for the State of Texas Nurse Practice Act.

### **Academic & Professional Integrity**

All students entering into the *TTUHSC SCHOOL OF NURSING* are required to subscribe to the standards and codes of the profession. *TTUHSC SCHOOL OF NURSING* students, as nursing professionals, are expected by patients and society as a whole to adhere to the:

- *TTUHSC Code of Academic Conduct*,
- *American Nurses Association (ANA) Code of Ethics for Nurses* - available on-line at <http://www.nursingworld.org/MainMenuCategories/EthicsStandards/CodeofEthicsforNurses.aspx>
- *Texas Board of Nursing Unprofessional Conduct Rules* (available on-line at <http://www.bon.state.tx.us/disciplinaryaction/pdfs/217-11-12-old.pdf>)

Students who fail to uphold and/or comply with the above codes and standards for safe and professional nursing practice will be considered in violation of the law and/or professional nursing standards. Students holding a license to practice nursing will be subject to the reporting laws on unprofessional conduct.

For more information about student expectations and policies related to academic and professional integrity, refer to the *TTUHSC Student Handbook Code of Professional and Academic Conduct* at [http://www.ttuhs.edu/student-services/documents/FINAL\\_HSC\\_2011-2012\\_Hndbk\\_for\\_Website.pdf](http://www.ttuhs.edu/student-services/documents/FINAL_HSC_2011-2012_Hndbk_for_Website.pdf) Part II, E, Other Professional and Ethical School Standards, (2) *SCHOOL OF NURSING*.

### **Classroom Behavior**

*SCHOOL OF NURSING* students, as well as faculty, have a responsibility for creating and maintaining an appropriate learning environment in the classroom. As stated in the *TTUHSC Student Handbook Code of Professional and Academic Conduct*, "An environment in which the privileges of citizenship are protected and the obligations of citizenship are understood fosters freedom of discussion, inquiry and expression. Accordingly, the University community has developed standards of behavior pertaining to students and to student organizations."

### **Disruptive Conduct**

The *TTUHSC Student Handbook Code of Professional and Academic Conduct* prohibits actions against members of the University community, including, but not limited to, behavior that disrupts the normal operation of the University, including its students, faculty and staff. [http://www.ttuhs.edu/student-services/documents/FINAL\\_HSC\\_2011-2012\\_Hndbk\\_for\\_Website.pdf](http://www.ttuhs.edu/student-services/documents/FINAL_HSC_2011-2012_Hndbk_for_Website.pdf).

"Disruptive conduct," as defined by the *SCHOOL OF NURSING*, means conduct that substantially or repeatedly interferes with the instructor's ability to teach, or student learning. Such conduct includes, but is not limited to:

- Excessive or disruptive tardiness
- Continuous distracting behavior during class presentations

- Utilization of electronic technology, such as laptop computers and telephones, for activities unrelated to class
- Distractive or inappropriate behavior in online discussion boards, emails, chat rooms or other online educational technology.

### **Consequences of Disruptive Conduct**

If the student continues disruptive conduct after the course instructor notifies the student of the unacceptable conduct, the course instructor may request the student to leave class immediately. If the student believes this action is not merited, the student may follow the process for non-grade grievance as outlined in this publication (see grievances-non grade related and grievances-grade related). If the student leaves the class, the student shall not receive credit for in-class activities that day. If such action results in a grade that a student believes is incorrect, the grade may be subject to the process outlined in the policy for grade challenges/appeals as set forth in the *School of Nursing Student Handbook*.

The use of electronic technology, such as laptop computers, by students during class is a privilege, not a right. In his/her sole discretion, the course instructor may withdraw such privileges on a case-by-case basis.

In addition, alleged disruptive behavior may be referred to the Department Chair by faculty or other students in accordance with the *TTUHSC Student Handbook Code of Professional and Academic Conduct*. Sanctions for disruptive behavior include but are not limited to dismissal from the SCHOOL OF NURSING.

### **Computer Requirements**

A considerable amount of time will be spent utilizing the resources available via the internet in all SCHOOL OF NURSING studies, including email. Owning a personal computer is required to succeed in the chosen area of study; and daily computer access is expected for all students. A laptop is required for students in the Traditional BSN program in order to participate in classroom learning activities. Students enrolled in the Doctorate of Nursing Practice (DNP) studies are also required to have a laptop computer to participate in classroom learning activities. The following website has specific computer system requirements: <http://nursing.ttuhschool.edu/it/requirements>

### **Email**

The TTUHSC Information Technology Department assigns all students an official e-mail address, which is provided with initial password code prior to new student orientation. All official electronic TTUHSC correspondence is sent via this e-mail address; as a result students are required to use this e-mail address while enrolled at TTUHSC SCHOOL OF NURSING. Students are responsible for monitoring and responding to any required information sent to this email address. In addition, faculty may correspond with students regarding course-related issues via email.

### **Equipment**

It is the student's responsibility to purchase and maintain certain pieces of equipment (stethoscopes, etc). Equipment requirements will be specified by faculty and listed in the course syllabi. Phone conversations on cell phones or communication including but not limited to texting and/or tweeting must occur outside of the clinical and classroom areas.

### **Professional Writing/APA**

#### **Vision Statement on Professional Writing in Nursing**

- Writing is an essential component of the communication skills that help define professional nursing practice. The clear, precise, logical, appropriate expression of ideas, opinions, and values in nursing is required for the provision of quality care to clients, families, and communities. To become proficient in written communication, students need to continually develop their technical, analytical, and persuasive skills.
  
- Course activities should integrate the continual development of communication skills throughout the curricula of all studies in the SCHOOL OF NURSING. High standards for communication (including written communication) lie at the heart of professional nursing practice and should be reflected in all curricular activities.
  
- The discipline of nursing uses the standards established by the American Psychological Association (APA) to guide clear and precise professional communication. APA format refers to the popular APA editorial style (grammar, quotations, etc) as well as standards for content and organization of a paper and ways to express ideas clearly while reducing bias in language. Knowledge and use of the range of APA recommendations permit the attainment of desired written communication skills that in turn enhance the profession of nursing and the health of populations served by nurses.
  
- SCHOOL OF NURSING students are required to purchase and use the most current Publication of the American Psychological Association (APA). Helpful APA guidelines are located at <http://www.ttuhs.edu/son> under Current Student Resources.

### **Tuition and Fees**

Student registration is not complete and enrollment is not official until tuition and fees are paid. Failure to make payment when due will result in cancellation of the student's registration. It is the student's responsibility to ensure that payment is received in the Bursar's office by the established due dates announced each semester. Questions regarding tuition and fees (payments, returned checks, late fees, refunds, etc.) should be directed to the TTUHSC Student Business Service Office at (806) 743-2300. Refer to the TTUHSC Student Business Services information at: <http://www.fiscal.ttuhs.edu/busserv/bursar/>.

### **Graduation**

Students planning to graduate **MUST** complete the *Intent to Graduate*. Students should create a "Diploma" address in WebRaider so their diploma will be mailed to the proper address. The diploma address will only be used if the diploma is not picked up at commencement.

Students must be enrolled at Texas Tech University Health Sciences Center in the term in which they plan to graduate. SON requires students to be registered for a minimum of 1 hour.

### **ACADEMIC ADVISEMENT**

An advisor is assigned to each student upon admission to provide information about the academic program and to assist in making informed decisions. The advisor should also be consulted during pre-registration, for adding/dropping a course and withdrawing from the SCHOOL OF NURSING. However, the student is ultimately responsible for seeking adequate academic advice, meeting degree requirements, and enrolling in appropriate courses to ensure orderly and timely progress toward the degree.

### **Traditional Undergraduate Department**

#### **▪ Traditional BSN Program**

The Coordinator for the Traditional BSN program serves as the academic advisor under the direction of the Department Chair. The student will be advised about registration dates two weeks prior to pre-registration. The student signs and receives a copy of their degree plan at orientation, and is expected to follow this degree plan when registering for courses. The academic advisor assists students with academic planning, staying informed of curriculum changes, and facilitating problem-solving related to their progression through the degree plan. The academic advisor consults with faculty as needed to best meet student needs. Any question the student has about registration, adding/dropping a course and withdrawing from the SCHOOL OF NURSING should be directed to the advisor.

#### **▪ RN-BSN Transferring Between Course Sections**

Students are assigned to a section of a course based on availability of opening within each section. Should a student seek to transfer to another section of a given course they must make a request to the RN to BSN Coordinator prior to the end of the third class day of the semester. The RN to BSN Coordinator will determine if a transfer is feasible based on the availability of space in an alternate course section. Should a transfer be determined to be feasible the RN to BSN Coordinator will notify the Registrar, SON IT, and the effected faculty by email by the end of the working day the transfer is made.

## **ACADEMIC MISCONDUCT**

“Academic misconduct” involves any activity that tends to compromise the academic integrity of the University, or subvert the educational process, including, but not limited to, cheating, plagiarism, falsifying academic records, misrepresenting facts and any act designed to give unfair academic advantage to the student or the attempt to commit such an act. Refer to the *TTUHSC Student Handbook Code of Professional and Academic Conduct Part II, D Misconduct*, (19) Academic Misconduct.

### **Filing a Complaint**

Any member of the University community may file a complaint(s) against a student(s) or a student organization(s) for violation(s) of the *TTUHSC Student Handbook Code of Professional and Academic Conduct*.

- Prior to filing a formal complaint by complainant (Faculty, Student, Administrator), a preliminary investigation/discussion with the Department Chair should be conducted to determine if there is a basis for the complaint. Refer to the *TTUHSC Student Handbook Code of Professional and Academic Conduct Part II, F Disciplinary Procedures*, (3) Filing Complaint.
- If there is a basis for the complaint, refer to the *TTUHSC Student Handbook Code of Professional and Academic Conduct* at [http://www.ttuhs.edu/studentservices/documents/FINAL\\_HSC\\_2011-2012\\_Hndbk\\_for\\_Website.pdf](http://www.ttuhs.edu/studentservices/documents/FINAL_HSC_2011-2012_Hndbk_for_Website.pdf).

## **ACADEMIC GRADE CHALLENGES/APPEALS**

**If a student believes that a grade on a particular assignment (not a final course grade) received is incorrect, the student shall:**

- Discuss the grade with the faculty who assigned it.
- If the grade is deemed correct, (no miscalculation of grade occurred) then the grade stands as issued. The faculty who assigned the grade shall notify the student of the decision in writing within five (5) business days.
- If the grade issued was in error, (miscalculation of grade occurred) then the faculty corrects the grade and shall notify the student of the grade change within five (5) business days.

If a student receives a grade of less than 80 (B) for a written assignment, the student may request another faculty member to conduct a second, independent, blinded evaluation of the assignment. Students seeking a second evaluation of a failing written assignment must make the request to the course facilitator within five (5) days of the graded assignment being returned to the student. After the second faculty member grades the assignment, the course facilitator and the two evaluators will review and discuss the scores and reconcile the assignment grade. If the two faculty graders cannot reach a consensus grade, the average of the two scores will be used as the assignment grade.

### **Final Grade Appeal**

Only final course grade(s) may be appealed to the appropriate Programmatic Department Chair if the student believes there is demonstrable evidence that prejudice, or arbitrary/capricious action on the part of the faculty has influenced the grade. **The burden of proof that such an influence has affected a grade rests with the student.**

**To appeal a grade, the student shall:**

- File the Final Grade Appeal Form (Attachment A), available on-line ([www.ttuhs.edu/son/current](http://www.ttuhs.edu/son/current)), within five (5) business days, of the beginning of the next semester with the appropriate Programmatic Department Chair.
- The Department Chair shall meet with the faculty and student separately and review all materials pertinent to the grade appeal. If two or more students are involved, the Department Chair, in his or her sole discretion, may meet with the students either separately or jointly.
- After review of all materials the Department Chair shall, within five (5) business days from receipt of the grade appeal form, render a decision. The student shall be notified of the decision via certified mail. A copy of the decision is forwarded to the Assistant Dean for Student Affairs.
- All records related to the appeal are retained by the Department Chair in the student's advising file for three (3) years.
- Receipt is deemed received by the student when properly mailed and addressed to the official address on file with the university. It is the student's responsibility to keep the university advised of any change of address.

**If the student is not satisfied with the Department Chair's decision, within five (5) business days from the receipt of the decision the student shall:**

- File a Request Form (Attachment B) to convene an appeals committee (located under current student resources at [www.ttuhs.edu/son/current](http://www.ttuhs.edu/son/current) with the Assistant Academic Dean for Student Affairs.
- Submit in writing **seven (7) copies** of all additional information to support the appeal to the Assistant Academic Dean for Student Affairs. No additional materials will be accepted after this submission.

When the request to convene an appeals committee is received by the Assistant Academic Dean for Student Affairs (AADS), the following procedures are followed:

- The AADS shall direct the request form to the assigned Appellant Department Chair. Department Chairs, will serve as the Appellant Department Chair (ADC) on a rotating basis. The ADC will coordinate appeal requests for review before an appeals committee.
- Should the designated ADC be the Department Chair that just reviewed the initial grade appeal, the Assistant Academic Dean for Student Affairs shall assign a different department chair to conduct the next level of appeal.
- Within **twenty (20) days** from the receipt of Request Form (Attachment B), the ADC shall convene an appeals committee to review the student's request.

### **Formation of the Appeals Committee**

- A list of seven names, which is comprised of four faculty and three students, will be selected for the Appeals Committee (here after referred to as Committee) by the ADC. The ADC shall notify the student, in writing, of the names of selected individuals, and the appealing student shall strike one faculty member and one student from the list within **five (5) business days** of receipt. If the student fails to strike one faculty and one student, the ADC shall make the final selection of the committee.
- The five remaining names will be the five voting members of the Committee. The Committee shall select one of the faculty members to serve as chair. The ADC shall send a confirmation memo to all members regarding their selection as a member of the appeal committee and the name of the chair of the committee. This confirmation will be sent out within **three (3) business days** of the final selection of the committee.
- At least **ten (10) business days** prior to the hearing, the ADC will notify the student and the faculty of the date and location of the hearing, the final composition of the committee and the name of who will be serving as chair.
- The student may have advisory counsel present during the Committee hearing. Counsel will not be allowed to speak, argue or conduct any questioning during the proceeding. If the student desires the presence of counsel, the student shall submit written notice to the ADC at least **five (5) business days** prior to the hearing.
- The student and members of the committee will receive copies of all materials pertinent to the appeal for review prior to the hearing.
- The SCHOOL OF NURSING reserves the right to provide the student, faculty and Committee members copies of all materials as provided by the student and faculty that are pertinent to the appeal. These materials will be provided no later than **three (3) business days** prior to the date of the hearing.
- The SCHOOL OF NURSING shall record the hearing, but not the committee deliberations.

### **Committee Recommendation(s)**

- The committee's written recommendation(s) shall be forwarded to the ADC within **one (1) business day** of the conclusion of the hearing. All members shall sign the recommendation indicating their vote in favor of or in dissent of the committee's recommendations. The ADC may accept or reject the recommendation(s) or make a different decision. The ADC's written decision is sent to the Committee members and to the student via certified mail within **ten (10) business days** of the receipt of the Committee's decision.
- All substantive decisions of the ADC are final.
- The student may only appeal issues of procedural due process to the Dean of Nursing by filing a written notice of appeal to the Office of the Dean within **five (5) business days** of the decision of the ADC. The decision of the Dean will be sent to the student via certified mail within **ten (10) business days** from the receipt of notice of appeal. The decision of the Dean is final.
- All records will be retained in the office of the Assistant Academic Dean for Student Affairs for three years.

### **Complaint or Grievance Resolution (Non-Grade Related)**

- Students have the opportunity to register complaints about non-grade related issues through a formal procedure. It is the policy of the Texas Tech University Health Sciences Center School of Nursing to affirm the right of its students to a prompt and fair resolution of a complaint or grievance. This applies to specific written grievances arising from matters affecting students' academic standing and performance, other than grades. Such non-grade related matters include a dispute or concern regarding some aspect of academic involvement arising from an administrative or faculty decision the student claims is unjust or from faculty, staff, or fellow student interaction(s).
- Complaint resolution procedures include both informal and formal processes. Prior to filing a formal written grievance, students are encouraged to first address their complaint informally with the faculty, staff, or student involved. Students should use the formal complaint procedure only as a last resort.
- The goal of the informal process is to establish communication between the student and the appropriate staff member for the purpose of providing a forum where the student's questions or concerns can be addressed and a satisfactory resolution developed.
- The student must meet with the appropriate faculty or staff member and discuss his/her concerns. If resolution cannot be reached by talking to the appropriate faculty or staff member or when contact with the faculty or staff member would be unduly distressful or embarrassing, the student may discuss alternatives with his/her department chair.

- The student must discuss the concern with the faculty, staff, or student directly involved (or, when necessary, the department chair) within twenty (20) working days of the alleged occurrence or the student will lose the opportunity to make a formal complaint. If students are unable to arrive at a satisfactory conclusion to their concerns via informal processes, they should complete and file a Student Complaint Form – Department. The form provides guidance for completing the form and how to file the form. All forms are available at [www.  
http://nursing.ttuhschool.edu/forms/](http://nursing.ttuhschool.edu/forms/)
- The student has ten (10) working days from the date of the last meeting with the appropriate faculty, staff, or fellow student to file a written formal complaint form with the Department Chair of their area of study. If the time period exceeds ten (10) working days, an explanation of the reason for the delay must be attached to the complaint form along with a request for an extension of the timeline. The Department Chair considering the written complaint and the student must agree, in writing, upon an extension of the time period for extenuating circumstances. If the time period exceeds ten (10) working days and the student does not have a written extension agreement, the request for an investigation may be denied.
- The Department Chair will conduct an investigation of the student's complaint. A written response to the student's formal complaint will be mailed directly to the address the student listed on the complaint form no later than fourteen (14) working days from the date the complaint form was received in the Office of the Department Chair. Students who are not satisfied with the decision of the Department Chair and have additional information to be considered may appeal the decision to the Dean.

#### **Appeal Procedure for Non-Grade Grievance**

- The student has ten (10) working days from the date of receiving formal notification of the decision of the Department Chair to file a Student Complaint Form - Dean <http://nursing.ttuhschool.edu/forms/> with the Dean's Office. If the time period exceeds ten (10) working days, an explanation of the reason for the delay must be attached to the complaint form along with a request for an extension of the time. The Dean and the student must agree, in writing, upon an extension of the time period for extenuating circumstances. If the time period exceeds ten (10) working days and the student does not have a written extension agreement, the request for an investigation may be denied.
- An investigation will be conducted by a representative from the Office of the Dean for any additional information about the student's complaint. A written response to the student's formal complaint will be mailed directly to the address the student listed on the complaint form no later than fourteen (14) working days from the date the complaint form was received in the Office of the Dean. All decisions are final.
- All written formal complaint forms and related correspondence are maintained in the TTUHSC School of Nursing Written Complaint notebook housed in the Dean's Office. No party, committee member, other participant, or observer in the complaint/ grievance process shall reveal any facts, documents, or testimony gained through participating in or observing the complaint/grievance process to any other person, unless required by a court of law to do so or upon the advice of the TTUHSC legal counsel.

#### **Timeline**

Due to documented extenuating circumstances, timelines for course related grade appeals might be altered by the Department Chair.

\*\*\*A business day is defined as a Monday-Friday from 8:00 a.m. to 5:00 p.m. when the SCHOOL OF NURSING offices are open even though students may not be attending classes or clinical assignments.

The Programmatic Department Chair and the Chair of the appropriate Program Progressions Committee (or designee) will serve as ex officio members of the Committee and will not participate or be present at deliberations.
- The ADAC will be convened by the AADS within ten (10) business days from the date of the receipt of the written notice of appeal. The student shall be notified via certified mail and/or e-mail of the date of the appeal's hearing.
- The burden of proof lies with the student. The student may present a written statement to the ADAC relative to the appeal at the time of the hearing. The ADAC may limit the length of such statement and its presentation in accordance with effective management of time.
- The student has no right to be accompanied by a representative at the hearing. Both the ADAC and student may call witnesses relevant to resolution of the appeal. Should information or witnesses be either repetitious or not relevant, the ADAC shall take action to expedite the proceedings. At the conclusion of the hearing, the ADAC shall forward its recommendation to the Dean and the AADS within 3 business days.
- Unless suspended for some justifiable reason pursuant to TTUHSC and/or SON Handbooks, the student shall remain on the class roll and may pursue appropriate didactic course work until the appeal is resolved.
- The decision of the Dean is final. ### **GRADING POLICIES**

#### ***Grade Point Average***

Type	Formula (use Grade Point Chart to calculate grade points)
Overall Semester GPA	Divide the total number of grade points acquired during the semester by total number of semester hours of all courses taken at TTUHSC, exclude courses with a W grade. (F & WF courses must be counted in the calculations.)
Cumulative GPA	Divide the total number of grade points earned in all courses taken in the degree program at TTUHSC by total number of semester hours of all courses taken in the degree program at TTUHSC including hours of F and WF. Repeated courses are counted in the total.

(Multiply the course credit hours by the assigned grade point, and then add all grade points to determine total semester grade points.)

#### ***Course Grade Policy***

- In order to pass a course, the average of all exams including the final must equal 75% (traditional undergraduate), 70% (Second Degree) and 80% (graduate) or greater.
- For RN-BSN courses where the majority of the weighted portion of the final grade is based upon written course assignments, the additional exam requirements will be included in the calculation if the average of the written course requirements is 70% or greater.
- In courses where additional requirements are a weighted portion of the grade, the additional course requirements will only be calculated as part of the final course grade if the average of all exams including the final is 75% (traditional undergraduate), 70% (Second Degree) and 80% (graduate) or greater.
- For courses with a clinical component, the clinical portion is graded on a pass/fail basis. Regardless of scores earned on exams or additional assignments, the student must pass the clinical portion of the course in order to pass the course. An unsatisfactory or failing clinical performance will result in a final course grade of F, regardless of the didactic grade.
- For Second Degree students, clinical courses are graded and the student must earn a 70% or greater to pass the course.
- For Traditional Undergraduate, BSN students, a clinical evaluation instrument will be used to determine the grade. The student must earn a 75% or greater to pass the course.

- The final course grade shall accurately reflect the grade earned according to course grading criteria. At the discretion of the faculty, grades may be rounded using classic rounding rules. For example, a grade of 89.5 equals A, whereas a grade of 89.4 equals B. Rounding of individual items should not be done. Rather, if rounding is done, it should be done for the final course grade only.

### Grade Reports

Final course grades can be obtained electronically thru the WebRaider Portal at <http://WebRaider.ttuhs.edu>.

### Grade Point Chart

Grade	Assigned Points	Grade Interpretations
A	4	Excellent, meeting degree requirements
B	3	Good, meeting degree requirements
C	2	Average, meeting undergraduate degree requirements; failing to meet graduate degree requirements
D	1	Inferior, failing to meet degree requirements
F	0	Failure, failing to meet degree requirements
P	0	Passing
PR	0	In Progress: given only when the work in a course extends beyond the semester of term; it implies satisfactory performance and is used in thesis, dissertation; or DNP capstone projects, a CR will be entered upon approved completion.
I	0	Incomplete: given only when a student's work is satisfactory in quality but, due to reasons beyond his or her control, has not been completed. It is not given in lieu of an F. The instructor assigning the grade will stipulate, in writing, at the time the grade is given, the conditions under which the "I" was given and may be removed. It is the student's responsibility to obtain a grade change form from the appropriate program office and to obtain signatures from the appropriate faculty. The "I" will be replaced with an F after it has remained on record for a year without completion. Withdrawal from the institution will not change the conditions under which the I may be removed nor waive the replacement with an F after the "I" has remained on the record for a year without completion.
W	0	Withdrawal: given for a course officially dropped during the first five weeks of a term and for a course officially dropped after that time, provided the student's work is passing at the time the course is dropped.
WF	0	Withdraw Failing: given after the first five weeks of a semester when the student's work is not passing at the time the course is dropped or when the student is required by the Department Chair to drop the course for failure to attend the class. Is considered as failing in calculating GPA.

## **INDEPENDENT STUDY COURSE CONTRACT**

A student may choose to complete elective course requirements by enrolling in an independent study course. For such courses the student and faculty meet to define specific objectives and complete an Independent Study Contract. Independent Study Contracts are available in the appropriate office and must be on file in the office prior to registering for the course. For more information on Independent Study Courses contact the appropriate academic advisor.

## **LEAVE OF ABSENCE**

All Undergraduate BSN students (Traditional BSN, Second Degree and RN to BSN) considering Leave of Absence must discuss this with their Department Chair. The decision to allow a Leave of Absence rests with the Department Chair, and will only be granted for a period of two semesters. Students who do not re-enroll within two semesters of the Leave of Absence must seek readmission. Failure to file a Leave of Absence Form and failure to re-enroll will result in an institutional withdrawal. Failure to file a Return From Leave Form will delay or prevent enrollment. Leave of Absence Request forms and Return From Leave forms are available on-line at <http://nursing.ttuhs.edu/forms>.

Graduate students may request a Leave of Absence for up to one year. Students who do not re-enroll in the semester following the declared expiration of the Leave of Absence or for one year must seek readmission. Failure to file a Leave of Absence and failure to re-enroll will result in an institutionally initiated withdrawal. Failure to file a Return from Leave form will delay or prevent enrollment. Graduate students who do not enroll in the summer session do not need to file a Leave of Absence unless they take no courses in the Fall or Spring. Leave of Absence Request forms and Return From Leave forms are available on-line at <http://nursing.ttuhs.edu/forms>.

## **NCLEX RN EXAMINATION ELIGIBILITY**

The Texas Board of Nursing (BON) has identified certain circumstances that may render a potential candidate ineligible for licensure as a registered nurse in the State of Texas. The Declaratory Order is a formal disclosure to the BON of an outstanding eligibility issue and permits the BON to make decisions regarding a petitioner's eligibility for licensure prior to entering or completing a nursing program. This Petition should be completed as soon as possible. The review process can take a minimum of 3 months but could be longer depending on the issue and volume of applications. Students who have obtained a Declaratory Order Petition must notify and inform the Department Chair of the outcome of his/her petition. If one of the following statements applies to you, you must complete a Petition for Declaratory Order.

- For any criminal offense, including those pending appeal, have you: 1) been convicted of a misdemeanor; 2) been convicted of a felony; 3) pled nolo contendere, no contest, or guilty; 4) received deferred adjudication; 5) been placed on community supervision or court-ordered probation, whether or not adjudicated guilty; 6) been sentenced to serve jail or prison time; court-ordered confinement; 7) been granted pre-trial diversion; 8) been arrested or have any pending criminal charges; 9) been cited or charged with any violation of the law; 10) been subject of a court-martial, Article 15 violation or received any form of military judgment/punishment/action?
- Are you currently the target or subject of a grand jury or governmental agency investigation?
- Has any licensing authority refused to issue you a license or ever revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a license, certificate or multi-state privilege held by you now or previously, or ever fined, censured, reprimanded or otherwise disciplined you?
- Within the past five (5) years have you been addicted to and/or treated for the use of alcohol or any other drug? (You may indicate "NO" if you have completed and/or are in compliance with Texas Peer Assistance Program for Nurses for substance abuse or mental illness.)
- Within the past five (5) years have you been diagnosed with, treated, or hospitalized for schizophrenia and/or psychotic disorders, bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder?

(You may only exclude Class C misdemeanor traffic violations.)

**NOTE: Expunged and Sealed Offenses:** While expunged or sealed offenses, arrests, tickets, or citations need not be disclosed, it is your responsibility to ensure the offense, arrest, ticket or citation has, in fact, been expunged or sealed. It is recommended that you submit a copy of the court order expunging or sealing the record in question to our office with your application. Failure to reveal an offense, arrest, ticket, or citation that is not in fact expunged or sealed, will at a minimum, subject your license to a disciplinary fine. Non-disclosure of relevant offenses raises questions related to truthfulness and character.

**NOTE: Orders of Non-Disclosure:** Pursuant to Tex. Gov't Code § 552.142(b), if you have criminal matters that are the subject of an order of non-disclosure you are not required to reveal those criminal matters on the declaratory order form. However, a criminal matter that is the subject of an order of non-disclosure may become a character and fitness issue. Pursuant to other sections of the Gov't Code chapter 411, the Texas Nursing Board is entitled to access criminal history record information that is the subject of an order of non-disclosure, even if you properly did not reveal that matter, the Board may require you to provide information about any conduct that raises issues of character.

Statutes and Rules governing the Petition for Declaratory Order may be found in the Texas Occupations Code §§ 301.257, 301.452-304.454 (Nursing Practice Act), and in the Board Rules and Regulations relating to Nurse Education, Licensure and Practice, 22 TAC §§ 213.27-30 and §§ 217.11-12. These statutes and rules can be located on the BON's website [www.bon.state.tx.us](http://www.bon.state.tx.us).

The Nurse Practice Act was amended during the 2005 Texas legislative session, adding § 301.4535, to authorize the Board of Nursing to deny or revoke licensure to an individual for certain criminal offenses. Under the provision, the BON shall refuse or shall withdraw a license if the person has been convicted of an identified offense or has noted on his or her criminal record a plea of guilty or nolo contendere. The Board of Nursing may consider eligibility for licensure of an applicant, who otherwise would be ineligible for licensure, after the fifth anniversary of the successful completion of and dismissal from probation or parole. The criminal offenses barring licensure, as defined by Texas Penal Code, include the following: murder; capital murder; reckless manslaughter; kidnapping, unlawful restraint, or unlawful transport of a person for payment and punishable as a felony; sexual assault; aggravated sexual assault; indecency with a child, an elderly or disabled person, perpetrator of family violence, an agreement to abduct a child; the sale or purchase of a child; robbery; aggravated robbery; an offense that requires the individual to register as a sexual offender; and convictions for similar crimes in a military tribunal.

### **PASS – FAIL OPTION**

Students may not take any courses required for a degree in nursing as Pass-Fail. Courses previously taken as Pass-Fail will not be transferred for credit if the course is required for a SCHOOL OF NURSING degree.

### **PLACEMENT IN CLINICAL FACILITY**

Every effort will be made to place a student in a clinical facility which is convenient for the student in terms of location and range of clinical experiences. The decision for clinical placement rests with the faculty teaching in the clinical course. A student may be removed from a clinical setting at anytime if the faculty teaching the course believes it is in the best interest of the student. All students are guests of the facility where their clinical experiences will occur. As such, students are required to adhere to all policies and procedures of the assigned facility.

### **PLACEMENT IN COURSE**

Students progressing through the program in a regular, uninterrupted sequence are assured space in the nursing courses. Limited resources may restrict the SCHOOL OF NURSING from assuring immediate placement in nursing courses to students whose progress through the program has been interrupted or who are taking courses out of sequence.

### **READMISSION**

#### **Undergraduate Studies**

All requests for readmission must be made no later than two months prior to the first day of the semester in which readmission is requested. The Undergraduate Program Committee (UPC) is responsible for overseeing all readmissions to the School of Nursing. A student who left in good standing and seeking readmission shall complete and submit a readmission application showing the expected entry point to the appropriate programmatic admissions coordinator. The admission coordinator will notify the Chair of the UPC of the request for readmission along with providing the most current transcript, and a summary of the circumstances of the student's withdraw if known. A student who left with a record not in good standing because he or she withdrew for academic or disciplinary causes must complete and submit a readmission application to the appropriate programmatic admissions coordinator along with a letter explaining the circumstances resulting in the withdraw and the plan to improve or correct performance if offered readmission. The admissions coordinator will forward the application, the letter, and any available academic records including the most recent transcript to the Chair of the UPC. The UPC at the next scheduled meeting shall review all such requests and may take one of the following actions regarding readmission of a student: 1) eligible and admit, 2) eligible pending space available in nursing courses and in sequence to date of action in relation to other

readmission applicants, 3) not eligible. The UPC may assign requirements to be met as a condition of enrollment, i.e. readmission on a part-time degree plan.

### **Graduate Studies**

All requests for readmission must be made no later than the application deadline listed in the SCHOOL OF NURSING Catalog for the semester in which readmission is requested. The Graduate Program Department Chairs and MSN and DNP Committees are responsible for overseeing all readmissions to the SCHOOL OF NURSING Graduate Program. Readmission of a student who has been dismissed or who withdrew for academic or disciplinary causes is also based upon the decision of the Department Chair and MSN or DNP Committee.

A student seeking readmission must comply with the following:

- Submit a letter requesting readmission to the Graduate Studies
- Meet all recommendations and requirements set forth by the Department Chair and MSN or Doctoral Studies Committees
- Complete online application and meet admission criteria for full admission

## **COUNSELING SERVICES**

As in all professional health fields, if stress is not dealt with effectively, it can interfere with optimal academic performance. If a student feels that he/she is experiencing excessive stress, the SON highly recommends self-referral for counseling. The following are the counseling options available for Lubbock, Permian Basin, and off-campus long distance education students.

Five sessions (per household) per academic year are available from licensed counselors who can provide assistance for a variety of problems related to daily living, including: family and relationship problems, depression, alcohol and drug abuse, anxiety and stress. No information is released to anyone in the SON and use of the program does not become part of a student's record. PAS offices are located on the first floor of the West Wing of TTUHSC. To schedule an appointment for yourself or a member of your household, Lubbock students can call 806-743-1327 and identify yourself as a SON student. ## **CRIMINAL BACKGROUND CHECKS (OP 10.20)**

A Criminal Background Check (CBC) must be completed prior to enrollment at TTUHSC SCHOOL OF NURSING in compliance with TTUHSC OP 10.20, <http://www.ttuhschool.edu/hsc/op/op10/op1020.pdf>. Each student is responsible for the cost of his/her CBC and any additional fees. American DataBank must conduct the CBC. The base price for the CBC is \$39.50. Additional charges could be incurred if you have resided in certain states, U. S. territories and/or foreign countries.

To initiate your background clearance, go to the website [www.TexasTechHSCBackground.com](http://www.TexasTechHSCBackground.com) and follow the step process. The profile information you input will be sent directly to TTUHSC upon completion.

The following searches are required for students pursuing clinical training through TTUHSC and will be conducted by American DataBank:

1. Criminal History Record Information Search (including all residences for the last seven years);
2. Social Security Number Trace (residential history, state and year SSN issued);

If an applicant believes the record is in error and gives written notification to the School of his/her intent to challenge the report, matriculation will be put on hold pending the outcome of the challenge. Should the applicant fail to notify the School of his/her intent to challenge or it is determined that the record is accurate at the conclusion of a vendor challenge by an applicant; the admission offer will be withdrawn.

\*\*\* Effective January 2013, the TTUHSC School of Nursing will begin utilizing the Texas Board of Nursing Criminal Background Check Process. Students will receive instruction on this new process prior to matriculation into their programs.

### **DEPARTMENT CHAIRS' STUDENT ADVISORY COUNCILS UNDERGRADUATE & GRADUATE STUDIES**

For purposes of promoting the TTUHSC School of Nursing, four student advisory councils exist to maintain open communication between students and administration/faculty/staff: The Undergraduate Department Chair's Advisory Council, The Non-Traditional Undergraduate Department Chair's Advisory Council, the MSN Department Chairs' Advisory Council and the DNP Department Chair's Advisory Council. Through the Department Advisory Councils, student representatives advise the administration on ways to improve the educational process while enrolled in the School of Nursing. Student representatives volunteer or are selected by the Department Chairs to serve on the Department Advisory Councils and are expected to represent their fellow students by bringing forth issues of importance to be addressed by the Council.

### **DRUG FREE SCHOOLS AND COMMUNITIES ACT**

The unlawful possession, use or distribution of alcohol and illicit drugs on any institutional property or at any of its activities is prohibited. Refer to the *TTUHSC Student Handbook and Code of Professional and Academic Conduct*. Information on assistance programs may also be obtained from the TTUHSC Student Services Office or the Texas Peer Assistance Program for Nurses (RNs & LVNs).

### **EMPLOYMENT**

The decision to work while enrolled as a student in the SCHOOL OF NURSING rests with the individual student unless the program which the student is enrolled in prohibits employment. The school assumes no responsibility for student employment. A student employed in a healthcare agency has responsibility, personally and professionally, to accept and engage in only those activities that fall within the position description for which he/she is qualified. Students who are employed as nurse assistants or nurse technicians should not practice outside the scope of such position set forth under the Nursing Practice Act. Students currently licensed as registered nurses assume the responsibility for clinical practice under their own professional license issued by the Board of Nursing.

All students should be thoroughly familiar with the Board of Nursing for the State of Texas, Nursing Practice Act – Rules §§224 (Delegation of Nursing Tasks by Registered Professional Nurses to Unlicensed Personnel for Clients with Acute Conditions or in Acute Care Environments) and 225 (RN Delegation to Unlicensed Personnel and Tasks Not Requiring Delegation in Independent Living Environments for Clients with Stable and Predictable Conditions). You can access this information on the Board of Nursing website at <http://www.bon.state.tx.us/>.

Due to the intensity of the Second Degree Program, students enrolled in this program must make a commitment not to seek employment during the three semester program. Students who are unable to make this commitment may be ineligible for admission to this program.

### **FACULTY OFFICE HOURS**

Faculty members maintain a schedule of office hours each semester. These hours are posted for students' convenience. Appointments should be made if posted office hours are inconvenient. Some faculty may choose to have virtual office hours via the Internet.

### **HEALTH INSURANCE**

Students are required by TTUHSC to pay a Medical Service Fee each semester. With this fee you can access healthcare at no charge for minimal or limited minor problems. Access to this healthcare is through a TTUHSC clinic or a regional contracted provider (when available) for our distance students. This fee is *only* waived for those distance students located in regions with no medical provider.

TTUHSC and the School of Nursing **strongly recommends** that each student maintain health insurance to cover major medical, emergency care, specialty care and pharmacy services. Students should note that many of the facilities where students receive their clinical training **require** each student to be covered by health insurance. Hospital or clinic personnel may ask you for proof of coverage at any time. Students may be denied access to clinical experience, at the discretion of the facility, if not covered by health insurance. The HSC Office of Student Services can provide information on several insurance resources for students or you can visit [www.ttuhs.edu/student-services/studenthealth.aspx](http://www.ttuhs.edu/student-services/studenthealth.aspx) for further information.

### **RESEARCH**

Research proposals that require access to the SCHOOL OF NURSING student population must be made to the SCHOOL OF NURSING Research and Clinical Services Committee and the Institutional Review Board (IRB) for approval prior to conducting research. Potential investigators must meet TTUHSC IRB mandated training requirements prior to submitting proposals to the IRB.

### **SAFE HARBOR**

Safe Harbor (SHPR) in accordance to Texas Board of Nursing [NPR§303.005(b) and (e); Rule 217.19(a) (15), Rule 217.20 (a)(15)], may be initiated by a RN prior to accepting an assignment or engaging in requested conduct that the nurse believe would place patients at risk of harm, thus potentially causing the nurse to violate his/her duty to the patient(s). Invoking safe harbor in accordance with rule 217.20 protect the nurse from licensure action by the BON as well as from retaliatory action by the employer. In the event during a clinical placement a nurse who is assigned to a student(s) invokes Safe Harbor, that student is to immediately notify his/her faculty.

### **SAFETY**

Exercise caution when traveling to and from cars, buildings, clinical sites, etc. Follow all safety instructions given by faculty members, listed in course syllabi, and contained in the TTUHSC Safety Manual as well as those in clinical facility safety materials. Information regarding TTUHSC Safety Services can be found at [www.ttuhschool.edu/admin/safety](http://www.ttuhschool.edu/admin/safety). New Student Safety Orientation information is located at [www.ttuhschool.edu/admin/safety/student](http://www.ttuhschool.edu/admin/safety/student). Students may login to this site to complete STEPS (Safety Training Education Program for Students) and/or Laboratory Safety Essentials training.

### **SEMESTER HOURS**

The semester hour is the unit of measure for credit purposes. Didactic contact hours are measured on a one-to-one basis; clinical contact hours on a one-to-three basis or as designated in the SON *Catalog* for the specific program. Approximately two hours in preparation for each hour of didactic class and an appropriate amount of time for preparation for clinical activities are expected.

### **SEXUAL HARASSMENT (OP 70.14)**

Sexual Harassment is prohibited under Title VII of the Civil Rights Act of 1964, as amended, and Title IX of the Educational Amendments of 1972. SEXUAL HARASSMENT WILL NOT BE TOLERATED.

The SCHOOL OF NURSING considers sexual harassment in all its forms to be a serious offense and one that is subject to a range of actions up to and including suspension or dismissal. Sexual harassment is a violation of TTUHSC OP 70.14 see <http://www.ttuhschool.edu/hsc/op/op70/op7014.pdf>. Refer to the *TTUHSC Student Handbook Code of Professional and Academic Conduct* at [http://www.ttuhschool.edu/studentservices/documents/FINAL\\_HSC\\_2011-2012\\_Hndbk\\_for\\_Website.pdf](http://www.ttuhschool.edu/studentservices/documents/FINAL_HSC_2011-2012_Hndbk_for_Website.pdf). Sexual harassment education is required for all students and is completed at the time of orientation. Contact the appropriate program office for further educational information and opportunities.

#### **Filing a Sexual Harassment Complaint**

Refer to the TTUHSC policy 70.14 at <http://www.ttuhschool.edu/hsc/op/op70/op7014.pdf> to review the policy and procedures and complete Complaint of Sexual Harassment form Attachment A at <http://www.ttuhschool.edu/hsc/op/op70/op7014a.pdf>.

### **SOCIAL MEDIA/PERSONAL WEB SITES and WEB LOGS – Guidelines for Students**

TTUHSC School of Nursing recognized that social media sites such as Facebook, LinkedIn, Twitter, YouTube, etc., and personal Web sites, Web logs, or blogs, can be effective tools for exchanging information. The School of Nursing

does not prohibit students from joining and participating in online communities as individuals. However, any online behavior that violates the TTUHSC Student Code of Professional and Academic Conduct which is brought to the attention of school officials will be treated as any other violation of the Student Code of Conduct. Please contact the Assistant Academic Dean of Student Affairs if you have questions about the interpretation of the “Student Code of Conduct.”

### **STANDARD PRECAUTIONS**

Students are responsible for adhering to standard precautions as governed by the Center for Disease Control and Prevention (CDC). Information on the CDC standard precautions is disseminated to the students during new student orientation. It is the Student’s responsibility to maintain compliance with these recommendations during all clinical settings. Refer to the CDC Standard Precautions at <http://www.cdc.gov/>.

#### **During orientation to the School of Nursing, time is allowed for the following:**

- Presentation and discussion of the CDC's Recommended Standard Precautions and
- An in-depth review of the SCHOOL OF NURSING's policies dealing with communicable diseases.
- Students will not be allowed into the clinical area until they have signed the Consent for Adherence to the CDC's Recommended Standard Precautions. This consent form will be placed in the student's file in the appropriate program office.

Because the potential diseases in a patient's blood and body fluids cannot be known, blood and body fluid and substance precautions recommended by the CDC should be adhered to for all patients and for all specimens submitted to the laboratory. These precautions, called "standard precautions", should be followed regardless of any lack of evidence of the patient's infection status. Routinely use barrier protection to prevent skin and mucous membrane contamination with

- secretions and excretions, except sweat, regardless of whether or not they contain visible blood
- body fluids of all patients and specimens
- non intact skin
- mucous membranes.

#### **Environmental Control**

Follow the clinical agency’s procedures for the routine care, cleaning and disinfection of environmental surfaces, beds, bed rails, bedside equipment and other frequently touched surfaces.

#### **Gloves**

Wear gloves (clean nonsterile gloves are adequate) when touching blood, body fluids, secretions, excretions and contaminated items. Put on clean gloves just before touching mucous membranes and non-intact skin. Change gloves between tasks and procedures on the same patient after contact with material that may contain a high concentration of microorganisms. Remove gloves promptly after use, before touching non-contaminated items and environmental surfaces and before going to another patient. Wash hands immediately to avoid transfer of microorganisms to other patients or environments.

#### **Gown**

Wear a gown (a clean nonsterile gown is adequate) to protect skin and prevent soiling of clothing during procedures and patient care activities that are likely to generate splashes or sprays of blood, body fluids, secretions or excretions or cause soiling of clothing. Select a gown that is appropriate for the activity and amount of fluid likely to be encountered. Remove a soiled gown as promptly as possible and wash hands to avoid transfer of microorganisms to other patients or environments.

#### **Hand Washing**

- Wash hands after touching blood, body fluids, secretions, excretions, and contaminated items, whether or not gloves are worn. Wash hands immediately after gloves are removed, between patient contacts and when otherwise indicated to avoid transfer of microorganisms to other patients or environments. It may be necessary to wash hands between tasks and procedures on the same patient to prevent cross contamination of different body sites.
- Use plain (non antimicrobial) soap for routine hand washing.
- Use an antimicrobial agent or waterless antiseptic agent for specific circumstances (e.g., control of outbreaks or hyper endemic infections) as defined by the infection control program.

## **Linen**

Handle, transport, and process used linen soiled with blood, body fluids, secretions and excretions in a manner that prevents skin and mucous membrane exposures and contamination of clothing and avoids transfer of microorganisms to other patients and environments.

## **Mask, Eye Protection, and Face Shield**

Wear a mask, eye protection and face shield to protect mucous membranes of the eyes, nose, and mouth during procedures and patient care activities that are likely to generate splashes or sprays of blood, body fluids, secretions and excretions.

## **Occupational Health and Blood-borne Pathogens**

- Take care to prevent injuries when using needles, scalpels and other sharp instruments or devices; when handling sharp instruments after procedures; when cleaning used instruments and when disposing of used needles. Never recap used needles or otherwise manipulate them with both hands and any other technique that involves directing the point of a needle toward any part of the body; rather, use either a one-handed scoop technique or a mechanical device designed for holding the needle sheath. Do not remove used needles from disposable syringes by hand and do not bend, break or otherwise manipulate used needles by hand. Place used disposable syringes and needles, scalpel blades and other sharp items in appropriate puncture-resistant containers located as close as practical to the area in which the items were used. Place reusable syringes and needles in a puncture-resistant container for transport to the reprocessing area.
- Use mouthpieces, resuscitation bags or other ventilation devices as an alternative to mouth-to-mouth resuscitation methods in areas where the need for resuscitation is predictable.

## **Patient Care Equipment**

Handle used patient care equipment soiled with blood, body fluids, secretions and excretions in a manner that prevents skin and mucous membrane exposures, contamination of clothing and transfer of microorganisms to other patients and environments. Ensure that reusable equipment is not used for the care of another patient until it has been appropriately cleaned and reprocessed and single use items are properly discarded.

## **Patient Placement**

Place a patient who contaminates the environment or who does not (or cannot be expected to) assist in maintaining appropriate hygiene or environmental control in a private room. If a private room is not available, consult with infection control professionals regarding patient placement or other alternatives. Additional information is on reserve in the Preston Smith Library Teach/Learning Center for clinical courses.

### **WEB CT/BLACKBOARD**

WebCT stands for "Web Course Tools". WebCT is a Learning Management System (LMS) used as an authoring tool for teachers, professors, and staff developers who create online courses for teaching. Texas Tech University and TTUHSC have licensed WebCT for use in the traditional classrooms and online distance programs. Instructors use WebCT to organize their course materials and make use of the study and communication tools offered by WebCT, including course content, an online calendar, chat rooms, discussion forums, grade books, quizzes and announcements.

TTUHSC is transitioning from the current Learning Management System (LMS), WebCT/Blackboard to SAKAI. SAKAI is a Collaboration Learning Environment (CLE) used for providing online course content delivery, in addition to research collaboration. Effective January 2013, all programs based out of the TTUHSC Lubbock Campus will be on SAKAI.

### **WITHDRAWAL FROM SCHOOL OF NURSING**

#### **Undergraduate Nursing Students**

For students enrolled in an Undergraduate Program (Traditional BSN, Second Degree BSN or RN-BSN) withdrawal from all courses or non-registration/enrollment during any semester constitutes withdrawal from the SCHOOL OF NURSING. Student MUST file a "Leave of Absence" (LOA) form if it is NOT the intention of the student to official withdraw from the School of Nursing. Lack of enrollment in a course without a LOA form constitutes withdrawal from the SCHOOL OF NURSING. Students are then required to file the "Official HSC Withdrawal" form. Withdrawal from the program does not affect the policy regarding incomplete "I" grades. Grades that are "I" at the time of withdrawal will automatically convert to an "F" if they are not resolved in the original timeframe as stated. Contact must be made with the Advisor and the appropriate Department Chair for completion of required documentation.

#### **Graduate Nursing Students:**

Withdrawal from all courses or non-registration/enrollment during a Fall or Spring semester requires Graduate students to file a "Leave of Absence" (LOA) form. Lack of enrollment in a course without a LOA form constitutes withdrawal from the SCHOOL OF NURSING. Students are then required to file the "Official HSC Withdrawal" form. Withdrawing from the program does not affect the policy regarding incomplete "I" grades. Grades that are "I" at the time of withdrawal will automatically convert to an "F" if they are not resolved in the original timeframe as stated, which is one year. Contact must be made with the Graduate Program Coordinator and the appropriate Department Chair office for completion of required documentation. A "Return From Leave of Absence" form must be completed and approved by the Department Chair. The "LOA" form and "Return From LOA" form are located on the SCHOOL OF NURSING web site under current students at [www.ttuhs.edu/son](http://www.ttuhs.edu/son).
