

CONDUCTING HUMAN RESEARCH AT
 **Northwest Texas Healthcare System-NWTHS**

PRIOR TO conducting any research activities at Nwth, TTUHSC investigators must obtain TTUHSC Amarillo IRB approval.

Time required to obtain Nwth's official response will vary depending on the completeness of the initial submission, the risk associated with the research, response time for any requested clarification and/or changes that may be required, etc.

An electronic copy of the following documents will be required:

- TTUHSC Amarillo IRB approval letter
- Contact information for Principal Investigator and/or designated research personnel for this submission
- Approved Protocol
- Any/all Consent/Assent Form(s) [if applicable]
- Data Collection Form(s)
- Recruitment Material(s)

The documents above must be submitted to the person listed below.

Name: Amy Choate, RPh, BS
Title: Clinical Specialist/Oncology-IDS
E-mail address: amy.choate@nwths.com
Office Phone: 806-354-1765

The Nwth Research Review Committee meets as needed.

If changes or clarification are required the Principal Investigator and/or designated study personnel will be notified by e-mail or phone of any concerns or required changes.

The Principal Investigator will receive a letter stating the institutional determination (approval/disapproval) regarding the research.

No research activities may be conducted without Nwth official approval.
